TOTAL Approximately 2 Hours

*Included in adult visit only

The \$629 fee includes a consultation with a doctor who carefully listens to your medical concerns, several tests to evaluate your current health status, consultations with other members of our health care team, and lunch. The fee for a child 12 years of age and under is \$336. Credit card information will be requested at the time the appointment is made to hold your patient reservation. Payment is expected at the time of service; please plan to bring your credit card for verification. Please keep your scheduled appointment reservation. If for some reason you choose not to keep your scheduled initial evaluation, a cancellation fee of \$150 will be charged.

After your initial doctor consultation, laboratory testing will be recommended. Laboratory testing is one of the keys to discovering the underlying causes of your ailments. The fees for laboratory testing may be an additional \$3000.

Payment is expected at the time of service. The Clinic accepts: American Express, Discover, MasterCard, and Visa. We do not accept third party payment, nor do we extend credit. We supply you a fully itemized bill with diagnostic codes for you to submit to your insurance company. **Questions about your coverage should be directed to your insurance carrier. For specific Medicare questions, please contact us at 316-682-3100.**

Prior to leaving, please schedule your follow-up visit for 2-3 weeks from your initial appointment. There will be an additional fee. After reviewing your laboratory test results, the doctor will recommend an individualized treatment plan. You may bring your own equipment and record this evaluation if you like.

A third appointment to review your progress will be recommended one month from your second appointment at an additional fee. Additional future appointments are recommended at intervals dependent upon your specific health condition.

We have been providing patients help and hope since 1975. Together we are embarking on a journey to discover ways to enhance your sense of well-being.

Sincerely,
Riordan Clinic Staff
